

Privacy Policy & Terms of Use

Data protection

The protection of your personal data is very important to us. We process your data therefore exclusively on the basis of the statutory provisions (GDPR, TKG 2003). In this data protection information, we inform you about the most important aspects of the Data processing within the framework of our website.

Access data

The website operator or website provider collects data about access to the website and saves these as "server log files". The following data is logged in this way:

Visited website

Time at the time of access

Amount of data sent in bytes

Source / reference from which you came to the page

Browser used

Operating system used

IP address used

The data collected are only used for statistical evaluations and to improve the website. However, the website operator reserves the right to retrospectively change the server log files to check, there should be concrete indications of illegal use.

Handling of personal data

The website operator collects, uses and gives your personal data only then further if this is permitted within the legal framework or if you consent to the data being collected. Personal data includes all information that is used to determine who you are and which ones can be traced back to you - for example your name, your e-mail address and telephone number.

Handling of contact details

If you contact the website operator through the contact options offered, your details will be stored for a period of six months, so on this to process and answer your request and in the event of Follow-up questions it can be used. Without your consent, this data will not be passed on to third parties.

User rights: information, correction and deletion

As a user, you will receive free information on your request about which personal data has been stored about you. Unless your request collides with a legal obligation to store data (e.g. data retention). You have the right to incorrect data correction and to have your personal data blocked or deleted.

This data protection declaration has been lawfully copied by the data protection officer of the website "ordination-pfeifer.at".
